

WEST COAST TO EAST COAST OF SAUDI ARABIA.

6.5M HIGH TRANSPORT

In April 2019, TEAMLIFTING successfully transported 2 units of Oversized tanks (12.7x5.4x5.8m,49tons) from Zamil Heavy Industries, Rabigh to Aindar Facilities, Abqaiq in the Kingdom of Saudi Arabia. We engaged 2 nos 4 axle lowboy hydraulic trailer with Mercedes Actros 3355s prime mover for the haulage.

We could complete the overall transportation of 1850km in 10 days including lifting of HT electric lines.
